CONDUCTING AN INTERVIEW

The Holy Spirit guides each person in the Christian community to continue Jesus' mission on earth. This mission involves living a life of service to all those we come in daily contact with who are working for the needs of all people. Our lives are filled with people who serve us first and put their needs last. Interview someone who serves the Church/community in a special way (e.g. lector, Eucharistic minister, rel. ed. Catechist, priest, sister, choir member, usher, volunteer firefighter, hospital volunteer, coach, scout leader, emergency squad member, etc.)

Before your interview- some helpful hints:

1. Make contact- explain what you have to do.
2. Write questions down ahead of time; make notes.
3. Do your "reflection questions" as soon as possible so that interview questions are fresh in your mind.
4. Thank the person for the interview.

Some do's and don'ts

1. Do interview someone you admire and would like to get to know.
2. Don't interview someone your own age or younger.
3. Don't interview someone in your family or your sponsor.
4. Do interview the same person for more than one ministry if they have more than one commitment.
